Please review the guidelines and packages below.

It is standard for events larger than 50 people to have 2 bartenders. If your event is larger than 200 people, 3 bartenders will be required. Bartenders are available for extended amounts of time at \$40.00/hr each no later than 2:00am

Drink prices are to be set by the event host.

Liquor licenses are the responsibility of the event host.

All features are interchangeable, please feel free to contact us if there are special requests you may have. We are open to making signature drinks and shooters, to be discussed during the planning process.

The bartenders reserve the right to refuse service to **any guests**. This includes members of the wedding party and family. Our goal is to make sure everyone has the best time possible, but above all, safety of the staff and guests is our main priority. In addition, behind bar is off limits to guests.
